

RFID/NFC TAGS

RFID/NFC cards & tickets

[Request now](#)

Whether access control, time recording or payment systems: contactless RFID/NFC systems have long since become part of our everyday lives. To fully exploit the potential of these intelligent and practical systems, we offer you individually printed and encoded RFID/NFC cards and tickets.

We will find the right combination of height, readability, frequency, chip type, security, material and design for your area of application.

Various areas of application:

- ✓ Access control
- ✓ Time recording
- ✓ Payment systems

RATHGEBER GmbH & Co KG - Kolpingring 3 - 82041 Oberhaching - Germany

Managing directors: Business economist (VWA) Andrea Schrägle, Dipl.-Wirtsch.-Ing. (FH) Andreas Schrägle

Commercial register entries: Andreas Schrägle GmbH

Registered office Munich: AG Mchn. B 44890, smart-TEC GmbH & Co. KG: AG Mchn. A 8238 - VAT ID no.: DE 129 725 198

- ✓ Public transport
- ✓ Kanban systems
- ✓ Postcards

Technical data

All properties of our RFID/NFC labels are optimized to your project requirements and application purposes.

Frequency	125 kHz (LF), 13.56 MHz (HF+NFC), 860-960 MHz (UHF)
Material	Aluminum, Stainless steel, Paper, PET, PVC
Labeling	Pressure, Laser treatment
Fastening	Self-adhesive, Mounting holes for cable ties, screws and rivets, Without fastening option, Magnet
Delivery form	Isolated
Suitability for metal surfaces	Yes
